TYPES OF MINI EXCAVATORS FOR MAXIMUM FUN!

These four mini excavator activities are sure to captivate kids of all ages, creating unforgettable memories and drawing families to your venue. With Construction Tyme, the possibilities for fun are endless!

SAND DIG (TRADITIONAL)

Let kids experience the joy of operating a real mini excavator as they scoop, dig, and move sand like professional construction workers. Perfect for unleashing their inner builder and providing hours of hands-on fun.

BOWLING BALL AND PIN KNOCKDOWN

Bring the excitement of bowling to the construction site! This unique excavator allows kids to maneuver the arm to knock down pins with a bowling ball, combining the fun of a game with the thrill of construction.

BALL GRAB

A crowd favorite, the ball grab excavator lets kids test their dexterity as they pick up balls. It's a delightful mix of challenge and reward, keeping kids engaged and entertained.

GRAPPLE

Add a thrilling challenge to the mix with our grapple excavator! Kids can practice precision and control as they use the claw to grab and move objects, honing their skills in a fun and exciting way.

CONSTRUCTION PHOTO-OPS

Your rental includes 7 unique construction themed photo ops.

Guaranteed to delight guest of all ages and create unforgettable memories.
